

ENGLISH: This term we will spend time revising for SATs. We will focus on some of the trickier spellings and spend time practicing ways to remember the spellings rules. We will investigate how best to answer reading questions and understand some of the more complex inference questions. In addition, we will continue to create new pieces of writing as well as editing past pieces. Our class book is Wind in the Willows in preparation for next term's end of year play.

FRENCH: This term Year 6 will be taught by Mrs Briggs along with Y5.

RE: Judaism What does it mean for a Jew to follow God ? In this unit we will explain the Jewish beliefs about God and describe what the Torah is and say how it is treated. The children will be able to recall some of the most important Jewish laws and explain what happens during worship at a synagogue.

**SUMMER
Term 1**

Year 6

**PERSONAL, SOCIAL, HEALTH & CITIZENSHIP:
Jigsaw- Relationships** In this unit the class will look at how to take care of their own mental well-being. We will talk about the grief cycle and the different causes of grief and loss. The children will understand about people who can try to control them and how to judge if something is safe and helpful.

PE: Will be on Monday and Wednesday each week. The focus this term is Athletics led by Fiesta Football.

MATHS: This term our maths lessons will cover angles of triangles, quadrilaterals and polygons. We will also focus on averages, algebra, circles and volume and continue daily practice of arithmetic.

SCIENCE: This term's unit is Variation. This is a short unit which looks at living things producing offspring of the same kind but normally are not identical to their parents. We will look at attributions that are passed on to their parents and that humans breed animals such as dogs for desirable characteristics.

MUSIC: Mrs Breden will be teaching a mixture of past music lessons building on the children's learning to encompass a collection of favourites.
