

ON ARRIVAL, proceed through the normal gate into the school grounds. Please queue using the 2m markings on the floor.

You will be greeted by Mrs Wilce at the double gates where she will take your child's temperature and release them to their teacher, unless they show a fever.

The parent/guardian then leaves via the double gate and crosses the car park.

COLLECTION in the afternoon will follow the same format and be from the same place.

ON ARRIVAL, all children (and staff) will have their temperature taken. This is an infra-red, non-contact thermometer that is held close to the forehead and only takes a couple of seconds.

RECEPTION AND LITTLE SAINTS ROOM
