

How to uncover a Soupee bird

Are you mesmerised by the rare Soupee bird? Would you love to photograph this magnificent creature up close? If so, read on to find out how!

What you need:

- A long rope
- A net full of chocolate buttons
- Classical music (saved on your phone or iPod)
- Perfume that smells like flowers
- Dry leaves from the jungle
- A good camera

What you do:

1. **First**, trek deep into the jungle where the trees are dense. Always make sure you wear sturdy boots to do this.
2. **Next**, choose a tree with a wide trunk and loop your rope over the lowest branch.
3. **After** that, carefully tie your net of chocolate buttons to both ends of the rope so it hangs from the branch. Check the knot is tight.
4. **Then**, crouch behind the tree, spray yourself with the perfume and cover your hat with leaves. This will camouflage you.
5. **As soon as** you are hidden, play the classical music.
6. **Next**, wait patiently. The Soupee will be so tempted by the aroma of chocolate buttons and the beautiful sound of the classical music, it will leave its hiding place. It will discover the buttons and will peck at them whilst enjoying the music.
7. **Finally**, peek around the tree and take your chance to photograph the bird. Make sure you are really quiet or you will scare it away.
8. Now you have your precious photograph!

Warning: Never use white chocolate buttons as they might attract giant jungle pythons.
