

## WHAT TO EXPECT IN YEAR 6

# ADVICE FROM THE EXPERTS!

---

You are all now experts at being in Year 6!

Even though you've had a very different year to many pupils in the past, you have still had many of the same experiences that every year has, such as...

Residential trip, Year 6 roles and responsibilities – captains and jobs etc, SATs boosters, many different clubs, SATs practice papers, sitting on the benches in assemblies, leading house assemblies, Sports Ambassadors roles, the Year 6 Classroom, Homework expectations, Leaver's hoodies and year books and so much more!

---

## ACTIVITY

Your task is to write your advice for the new pupils coming into Year 6 next year. Try and remember how you felt when you were at the end of year 5. Maybe you could create your own leaflet or poster or even video diary?

### Things to think about:

- Make the reader look forward to Year 6
- Give tips and advice
- Try and imagine what they might be worried about
- How have you overcome any difficulties this year
- What has your experience been like?
- Mr Flowers will be teaching them
- They will probably be doing SATs next year
- They won't be going to Manor Adventure next year but it will be somewhere very similar
